Cassye

Buttfuck All-Star

Let's be honest. Your wife or girlfriend usually recoils at the idea of taking your rock hard cock up her tight asshole. Not Cassye. In fact, Cassie emphasizes the "ass" in "Cassye" as she most certainly craves to be crammed in her cozy litte keister. She will take every inch you have up that sweet pucker of hers and you best believe you will be cumming deep inside her asshole when you're balls deep. This is a true anal fiend, my friends. 🍆

EPIC ASSES

ON THE
SET

Ring, ring, ring goes the bell! Mr. Case's collection of Grade-A ass is now in session. Filling the seats are four bootylicious babes, each decked out in skimpy outfits that place their bountiful buns on full display. From oiled up asses and kinky spread sessions, to thong bikinis and twerking tushies there is clearly a beautiful butt to fit every fancy. With so much dick to discover and booties to shake, we've never experienced Epic Asses quite like this.

Delivering fireworks with this Epic new release, director Danny Case is ready to create excellent pornography. Made even better by showcasing the undeniable star power of A-List babes, such as Maddy O'Reilly and Anikka Albrite, this big butt bonanza is prime porn for ass aficionados everywhere. With stellar camerawork and plenty of apple bottom curves, this frothbuster is set on delivering bouncing butts at ever turn. With that said, it's time to sharpen your pencil and raise your flagpole. You've just been enrolled into Case's institute of higher yearning!

As promised, Anikka Albrite ignites in the opening scene, wearing nothing more than strands of red dental floss that encroach in the crack of her Epic Ass as she bends and squats for the camera. With the sun kissing her curvaceous body, Anikka begins bouncing her booty up and down; causing a rippling sensation that has enough velocity to activate the Richter Scale. As the camera pans in, Anikka spreads her butt cheeks wide opens and offers the lens a naughty little butthole wink. We love her!

The moment Mick Blue enters the scene, his cock is hard and his mouth is salivating. Grabbing a bottle of mineral oil, as he gets closer, Mick has Anikka reach for the sky, elongating her dangerous curves, as he slowly begins pouring the oil over the deep-set arch of her lower back and her bangin' butt. As the oil coats Anikka's buns like syrup over a mound of pancakes, she begins shaking her booty, causing the oil to spit and spatter outward.

Ready to attack, Mick leads his blonde beauty into the house, although Anikka has another thing in mind. Choosing to take control, Anikka sets Mick down on a white sofa and literally takes a seat on his face. With the stems of her red heels dug into the cement floor, Anikka hunkers down to gain traction, while milling her pussy and asshole all over Mick's face. With a tongue in overdrive, Mick happily gorges on Anikka's delicacies, causing this bootylicious babe to milk and moan.

Soon, Anikka is riding Mick's cock in cowgirl, assaulting his stick up and down as her big butt smothers his balls when she lands. Holding her at the waist, Mick propels the action, ensuring that Anikka's throw down has more depth. Screaming and creaming, Anikka quickly erupts, leaving both sexy performers breathless.

After that monumental moment concludes, Maddy O'Reilly continues the positive momentum of the day by sauntering onto her set in her birthday suit. Already stark naked, Maddy begins her play outside, overlooking the city of Los Angeles, while shaking and spreading her pristine posterior for the camera. Enamoring us with her ever-growing booty, Maddy's delectable derriere has never looked better. Well, that is until she's given a bottle of oil that she sexily douses over her double bubble, creating an erotic visual that is second to none.

After her hot display, Maddy makes her way over to Marco Banderas, who has been admiring her from a nearby sofa. As soon as she comes face-to-face with her Latin lover, Maddy rushes him with her lips, massaging his mouth with her pretty

tongue. Happy to engage in such an unexpected and passionate kiss, we can see Marco's cock growing and growing. In fact, Maddy notices it too.

Once her solid make-out session concludes, Maddy decides it's time to make-out with something else. Soon, Marco's cock is uncoiled down Maddy's neck as she sucks and slobbers all over it, seemingly making love to his cock and balls, like we've never seen before. Positively dripping from the corners of her lips, Maddy enthusiastically worships Marco's Spanish sausage, causing his fat balls to shrink in her grip.

Ready to stake all claims to this impressive starlet, Marco bends Maddy in half in doggie position, revealing the mouth watering look of Maddy's curvy body and top-notch ass. Slamming his cock between the warm folds of her wet pussy,

Marco happily gets to work. After a few moments, Marco is biting his lip and fucking her so intently that he almost loses his balance. With pussy porridge coating their crotches and Maddy's white skin now the color of a ripe strawberry, Maddy calls out, "This feels so good, you have no idea. Are you enjoying my fucking hole?" By the glazed look on Marco's face, we can all assume that the answer is YES!

Also good at delivering some hot ass is AJ Applegate, a sexy blonde that exudes sexual charisma, which she proudly demonstrates in the following encounter. With classic good looks and a body built porn tough, AJ looks divine sunning her bountiful buns outside. With the sun worshipping her 5'2" frame, this Long Island, New Yorker arranges herself on her hands and knees and begins wildly twerking her ass for Case's camera, causing her blue bikini to be swallowed up by her big butt.

Naturally responding to chicks with thick asses, Mr. Pete is salivating on the sidelines, aching to step in and take control of this bodacious blonde. Crawling into action, literally, AJ inches over to Mr. Pete and grinds on his lap like an experienced pole dancer. Once this initial introduction has concluded, Mr. Pete takes his time worshipping her hot ass, eventually taking a bite out of her big apple!

Afterwards, AJ takes pleasure in pleasing Mr. Pete's meat stick with her mouth. Delivering a hot and messy blowjob that isn't shy on the slobber, skillful handwork or sharp eye contact, AJ masterfully sucks and blows, causing Mr. Pete's toes to curl and his chest to redden.

Moving right into action, Mr. Pete can't wait to get his beautiful blonde into a face-down-ass-up doggie squat. That's exactly what he does, grabbing a fist full of her blonde hair in the process. At this point, he has his free hand glued to her waist and is laying down some serious pipe. Screaming and creaming all the while, it becomes quite evident that AJ is having the time of her life, as evidenced by her red and plumped pussy lips.

Soon, Abby is on her knees, wrangling Will Powers' cock into her mouth like a sexy snake charmer. Although this scene starts quite passionately, it gains tremendous momentum the moment Will places his belt around her neck. Feeling submissive under his domination, Abby lights up like a firecracker, now chomping on his cock like a rabid whore. With saliva pooling down her chest, we can tell that Abby is the type of girl that likes her sex and her men rough.

As the dynamic duo transition into doggie, Will grabs her white panties

at the hip and tears them into shreds. With her torn panties hanging off her body, Abby bends over onto her hands and knees and practically begs Will to stuff her pussy full. He does exactly that, fucking his brunette beauty so intently that his bald head begins to sweat.

Panting and pawing at the white sofa, Abby can't wait to see how Will is going to bang her next. In between this big decision, Abby takes matters into her own hands by sitting on Will's face, twerking her way to an impressive orgasm that glistens his lips. Once Will is released, he finishes her off in a steamy sidesaddle position, later creaming her face for a job well done.

With plenty of seductive teasing and loads of Epic Asses, Danny Case delivers another steamy bout of hardcore sex to the marketplace. Demonstrated by exceptionally well-covered scenes, expert camerawork, and some of the best bootylicious babes in the business, Case definitely gave his audience a solid bang for their buck. Offering copious amounts of big booty lovin', you will certainly get your fill! 🍌

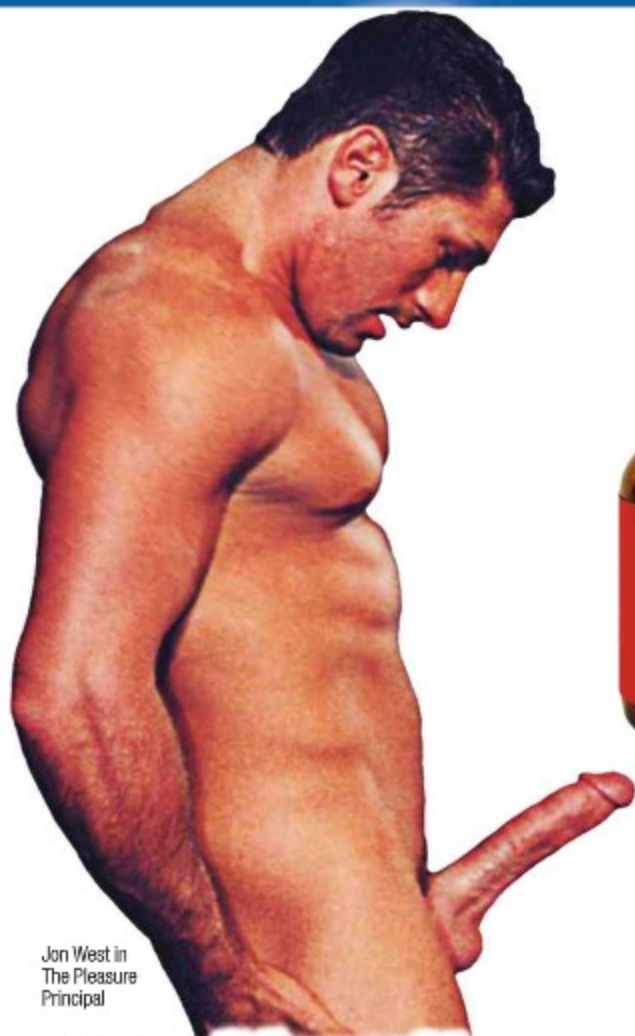

Continuing with their awesome skin show, AJ and Mr. Pete transition into missionary position, as Mr. Pete resumes his role of looping AJ's long hair around his hands. Once she cums from his cock, Mr. Pete stuffs her full of fingers, causing her to ignite with projectile squirt that drenches both performers and the room!

Finally, in the end, Abby Cross, a gorgeous brunette with a blooming onion, makes herself quite useful by flaunting her curves across a glass table. With intricate camera angles that capture her blooming butt from underneath the table, we're given the ultimate spread session. Soon, we can hear the sound of her fingernails snapping into her black fishnet stockings as her white panties noticeably dampen. We think she's ready.

Stacy

Gaping Wide Open Spaces

For her 23th birthday, Stacy wanted an extra special gift, so she let her boyfriend and his pal fuck the living daylights out of her. Not content with a single dick railing her perfect pink pussy or her perfectly tight little asshole, Stacy wanted to make a true statement of smut and declare that she could indeed be a double-penetration type of girl. The guys made quick work out of her holes and that gaping asshole of hers became the true mark of her newfound maturity. Good for you, Stacy. 🍆

VANESSA CAGE

How does a girl from Texas get into porn?

Although I was born in Texas, I grew up in South Florida. When I was 18, I was living on my own and was known as the party girl at school. At the time, I was also working at a chain restaurant. Anyhow, one day while cruising the adult section of Craigslist, I saw some adult jobs and said, "Hell, I'm an adult now." I saw a few listings that looked cool. I said to myself, "Fuck it! I'll try it!"

Did you just plan on performing this "adult job" once and then move on?

Originally, I was only going to try it out maybe once or twice. I thought to myself, "Damn, did I really just get paid to do that?" It was great. I loved it. That's how it all started. After that, no more restaurants!

Before porn, what was your sex life like?

Normal would be the right word. I was never too crazy, but I did have fun. I had the normal, typical type of teenager life and sex life. You know; get drunk, have sex, party. I was rather promiscuous, but nothing too crazy.

While all of your teenage sexuality was budding, did you dabble with girls as well?

No, I didn't dabble with girls until porn. I just had sex with guys.

It seems like you've made up for lost time.

Yes, I have. It's been great. I'd like to do more.

So then, what was your first on-camera, lesbian scene like?

My first lesbian scene was with three other girls. I kind of got thrown in there and was given this prompt by the photographer, "Just pretend like you've been in the desert. Dive in their pussies are a river." I went for it! After a bit of time, he called out to me, "Wait, come up for air!"

How did you like it?

It was cool. I was nervous because it was my first time ever being with a girl. Wait, I think there was one scene with one girl right before that. But, anyhow, this was my first scene with many girls. I think I did a pretty good job, if I do say so myself.

Wow! Talk about being thrown into the deep end on your first time out.

Yeah, thankfully I know how to swim.

What was your pussy eating technique? Did you do to them what men have done to you?

For the most part, I just pleased them the way I enjoy being pleased. I don't really use a lot of fingers when I'm with a girl. Instead, I like to use a lot of wet tongue. That is the technique that I prefer. Lots of tongue gets me off. Luckily, I haven't received any complaints.

Since you've had the privilege of having your face between the legs of porn's most gorgeous starlets, who would you say are amongst your favorites?

That's hard to say because I haven't worked that much lately. Also, despite what you may think, I haven't really performed in too many girl/girl scenes. I would say some of my favorites have been Dani Daniels, Tia Cyrus and Abigail Mack. Those girls are beautiful.

Is there a type of male performer that you most enjoy?

It doesn't really matter to me, American porn stars, Euro porn stars, it's all good to me. Actually, I've never really been crazy about industry guys. I just want the guy to know what he is doing. I just prefer them not to be rough with me. That's not my

sexual preference. I've never been someone that enjoys being roughed up during sex. I prefer my costars to care about me as a person and not just pound away on me in their attempts at breaking me.

Is that type of male costar hard to find? It seems as though the male porn stars these days are more sexually aggressive than in times past.

They do exist, but it is harder to find them. I've had really good scenes with Eric John. He's a pretty good friend of mine and we get along very well. Our sex scenes are hot and passionate. That's more my speed.

Since you enjoy romantic sex, do you enjoy working for companies such as New Sensations and Wicked Pictures that promote a more sensual style of sex?

I do enjoy working for those companies and enjoy scenes where I get to have real sex. There are people who have crazy, porno style sex, but, in reality, most people at home don't do that. I prefer more romantic sex. I want to have the type of passionate sex that people could imagine having at home.

As you progress in your porn career, are you going to open yourself up to include more types of sexual expression, such as anal sex or interracial sex?

I'm fine where I'm at, actually. If I'm not really into something, I really don't want to do it on camera, no matter the amount of money that I am offered. Besides, if I'm not really into something, it's not going to be a good scene. I don't want to do that to my fans or to the company that has hired me. I always speak my mind, many girls do not.

Of the scenes you've been in so far, which one has been your favorite?

Well, here's a little back story before I give you my answer. On the day of my hottest scene, I had just broken up with my boyfriend and had kicked him out of the house. Then, when on set, I got to do this awesome foot fetish scene with Michael Vegas. And, by the way, I have a HUGE FOOT FETISH! I was so into it. We got to satiate my foot fetish desires, and we had the privilege of having sex on a sex swing too. I'd never had sex on a sex swing before. I loved it. We were dressed in vintage clothing. It was such a perfect day.

So then, you enjoy your feet being sucked and licked during sex?

Oh yes! I love it. Having my feet fondled really turns me on.

Are your feet always perfectly manicured?

Of course! You can't go around having trashy looking feet.

What color are your toenails right now?

Bubble gum pink. They are so pretty. I love them!

Since you are a fantasy girl, you have to be in tip-top shape from head to toe.

Yes, I never know what it's going to be about me that the fan is fixated on at home. It could be my blue eyes, my blonde hair or my smooth feet. To ensure I hit all the possible notes, I try to look my best at all times, especially my feet.

Tell us more about these feet of yours.

Well, I hate the sight of dirty feet. In between breaks in my scenes, I always clean off the bottoms of my feet. It's a pet peeve of mine. I hate seeing beautiful girls with dirty feet. It grosses me out. Scaly heels is also kind of gross.

Do you have any specific porn goals for your career?

I don't really have any specific goals. I'm coming up on my five-year mark and feel I may be done soon. I'm still having a great time on camera but have other goals I want to accomplish. I've had amazing opportunities because of porn but am anxious to see what else life has in store for me.

Do you have any ideas where your life might take you?

I'm very interested in nutrition and fitness. I'm hoping my life pushes me in that direction. I also love animals and wouldn't mind a career that helps them out. That would be fun!

What type of outfit makes you feel sexy?

I love dressing feminine. For instance, last night I wore a knee-length white skirt that showed off my butt and a black/floral shirt. I was dressed very classy. I like showing off my shape, but don't need to give people a

free show. I enjoy a style that is both sexy and sophisticated.

Which directors do you enjoy working with?

I enjoy working for Mike Quasar from Zero Tolerance/Third Degree. I also enjoy working for Otto Bauer and Barrett Blade. All of those guys have good crews. They are awesome people that I consider friends.

FUCK FACTS

Birthday: November 19 **Hometown:** Fort Worth, TX

Height: 5'7" **Weight:** 130 lbs.

Measurements: 34B-24-36

Movies: *Foot Prints* (Smash Pictures),

Legs 2 (Third Degree Films),

Revenge of the Petites (AMK Empire),

Stripper Firefighters (Wicked Pictures),

So Young So Sexy POV 4 (Digital Sin)

Do you aspire to star in feature movies?

I was one of the main characters in *Revenge of the Petites*. It was a fun experience but I wouldn't want to do features all the time. If it was the right part, I would jump on it. But, with features, you can expect really long days, plus there is a lot of stress that goes along with learning your lines and lots of other variables. It was fun, but I can't say I'd be the first in line to sign up for it again.

What is your strongest sexual skill?

I'm best at giving off a sexual vibe with my eyes. I love giving great eye contact when I'm giving head and when I'm having sex. I've made so many guys come just by staring at them during sex. Men seem to love my eyes. My eyes change. Sometimes they are green and sometimes they are blue. My eyes are like a mood ring. I feel my eyes would be considered more blue than anything. They are very bright.

Do you have a gag reflex?

I do have a gag reflex, but am getting better. I can deep throat. It's one of those funny things, some days you can handle so much cock and other days, you can't even get your toothbrush in your mouth without gagging.

What position sucks?

Spoon sucks. Spoon does absolutely nothing for me. I've only had sex a few times where spoon worked out well for me. I feel disconnected from my partner and the cock just doesn't hit my spots correctly. It's a wasted position. It's a good position on camera, but not at home.

What is your favorite position?

This is going to sound so ordinary, but I love missionary position, with my legs on the guy's shoulders. That position is so hot, everything looks and feels great.

If you could assemble the ultimate porn movie, who would be in it?

I would place myself in a threeway with David and Victoria Beckham. I would also place myself in a lesbian scene with Angelina Jolie. There's something about that girl that is so sexual and mysterious. I would love to try her out. I don't love rough sex, although I kind of have the feeling that she'd be a little rough. With Angelina, I'd be willing to take that chance.

Are you dominant with your women?

Yes! I am. Maybe it's Angelina that should be scared of me. I'll lock her in with my mood ring eyes and that'll be it. That girl will be all mine.

How'd you come up with your stage name, Vanessa Cage?

I had no idea what to name myself. Anyhow, one day I was in Best Buy visiting a friend and started talking with a few guys that worked there. While talking to them, I told them my porn plans and asked them, "So, what do I look like? What would be a good name for me?" Someone yelled out Vanessa and another called out Cage. I said, "Vanessa Cage, remember that name." After that, I walked out. It was cool. I like that story.

Do you think they remember your name?

Oh yeah! 🍆

CHERI'S LEGENDARY PORN STARS

When going through the entire history of porn, it would be nearly impossible to include everyone who has participated in the vast levels of the business. Think of all those hot Egyptian princess banging on the sides of those ancient water jugs and beautiful Japanese girls getting fucked in the ass on those antique ink on paper drawings you might see at a museum. Those were the first porno theaters and magazines from a certain point view.

So, to say that we're covering the entire canon of a business and a way of life would be silly at best. With all that out of the way, let's just say we are celebrating the most popular porn stars of the past 40 years or so and get on with it. The thing is this: never in the his-

tory of the world have been surrounded by as much smut as we are today! There are, and we never use or overuse this word, literally, thousands of girls willing to take off their clothes, get fucked and creamed on and then declare themselves "stars"! Well, they are, but they're not iconic.

And while that works out great for the millions of people who want to get off watching girls get off, we are focusing on the best of the best. Or the best of the breast. Or the biggest dicks. Or the best pole fuckers on the planet. However it shakes out (like a dick over a freshly fucked pussy, about to spew it's wad) we present to you, without anymore fan-fare or extraneous fillibustering, CHERI's *Legendary Porn Stars*!

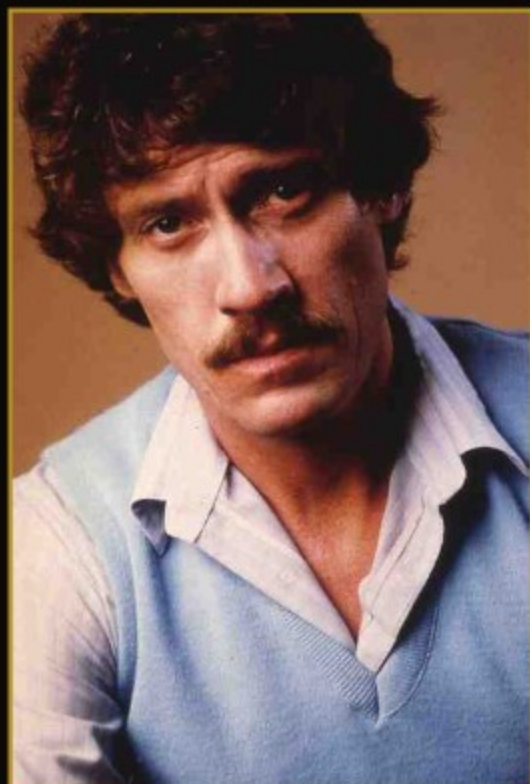

Jenna Jameson

She is the quintessential "Queen of Porn," and even though many in the biz have shared her first name, if you say "Jenna," everyone knows who you are talking about. Never again will there be an adult performer that will rise to such levels of praise, success, and adoration than the top porn star of all time. Known the world over for her sexual prowess and business acumen, Jameson has won more than 20 adult awards for her erotic excellence, including prestigious honors for her work in *I Dream of Jenna*, *The New Devil in Miss Jones*, and *The Masseuse*, to name a few. In addition to her stellar sexual performances, Jameson founded ClubJenna, a bustling production company that is estimated to have earned revenues in excess of \$30 million dollar back in 2005. A virtuoso at self-marketing and promotion, Jameson was also the first porn actress to have a 48-foot-tall billboard in New York's Time Square, a feat that has yet to be replicated. With a star that burns just as brightly in mainstream's pop culture as in the adult arena, Jameson's crossover success and appeal have been insurmountable. She and/or her likeness has appeared on such hit shows such as *The Howard Stern Show*, *Family Guy*, and *E! True Hollywood Story: Jenna Jameson*. She's also been inducted into the coveted *New York Times* Best Seller's List for her 2004 autobiography, *How To Make Love Like a Porn Star: A Cautionary Tale*. With such impressive displays of pornographic platinum, we start our list with the most famous porn goddess of all time, Jenna Jameson!

Tera Patrick

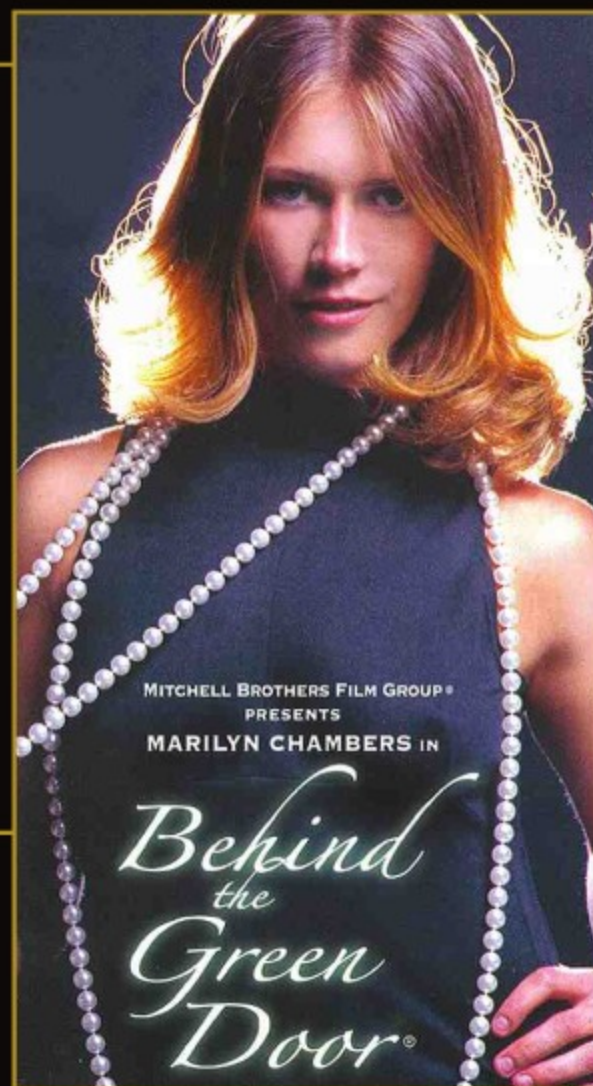

Prior to joining the adult entertainment industry, Tera enjoyed the life of an international fashion model. A lethal combination of both beauty and brains, Patrick also studied nursing and thought about going to medical school before she was bitten by the porno bug. Widely considered the hottest thing since sliced bread, Patrick continues accomplishing great strides both personally and professionally. She has compiled a laundry list of industry accolades, but most importantly, Tera conquered several stereotypes sur-

rounding female entrepreneurs by building a merchandising and marketing empire for herself, based on her household name and glamorous image. Proving that beauty and brains reign supreme, Patrick broke free from the mold and went on to create her own bustling production company, Teravision, in 2003. With many years of adult success, a library of hot movies under her belt, a best-selling book, *Sinner Takes All*, and a bustling lingerie line, *Mistress Couture*, this mini-mogul shows no signs of slowing down or stopping. Boasting with effervescent charm, Patrick smiles, "For all of those naysayer's, I say thanks. Your negativity was spun into my inspiration and success!"

John Holmes

It is a widely popular notion that John Holmes was to the porn industry what Elvis was to rock and roll. Completely unparalleled and legendary, this prolific porn performer, known for having the largest and thickest penis in the adult industry, appeared in hundreds of adult loops and porn movies in his porn career between the 1970's and 1980's, although the exact number is not known

since many aliases and non-credited performances were used. The inspiration of several studies, books, essays and two feature films, *Boogie Nights* and *Wonderland*, John Holmes became a household name. Attracting media attention near the end of his life for the infamous *Wonderland* murders, his addictions to illegal substances, and eventually his death due to complications caused by AIDS in 1988, John Holmes will forever go down in history as the "Sultan of Smut."

Marilyn Chambers

Before her launch into the wonderful world of XXX, Marilyn Chambers was best known as the "Ivory Soap girl." Wanting more acclaim in the mainstream world, Chambers answered an ad in the *San Francisco Chronicle* for a role for what she thought was a major motion picture. The movie ended up being *Behind the Green Door*, produced by Artie and Jim Mitchell, a motion picture that would change the course of her life. An unknown

starlet before the movie's release, Marilyn became a household name after it and one of the most beloved starlets of all time. Considered to have launched the "porno chic" boom, *Behind the Green Door* is the first feature-length hardcore film widely released in the United States and is likely to be the first to have displayed interracial sex. Later, Chambers added to her porn resume by performing in more iconic adult films such as *Insatiable*. Impressing fans for more than a quarter of a century until her untimely passing in 2009, Chambers will forever remain one of the porn's most beloved screen goddesses.

Ron Jeremy

Affectionately known as "The Hedgehog," Ron Jeremy assumed the role of being the #1 adult star after John Holmes' passing. With charm, average looks and a 10-inch penis, Ron wowed fans with his unparalleled stamina and his ability to perform on cue. The current holder for "Most Appearances in Adult Films," in the *Guinness Book of World Records*, Ron has performed in more than 2,000 adult films, and has also appeared in mainstream projects as well. Some of those projects include appearances in mainstream productions like *The Boondock Saints*, *Detroit Rock City*, *Killing Zoe* and *54*, not to mention stints in music videos for entertainers such as *Sublime*, *Kid Rock* and *Guns N' Roses*. After surviving a heart aneurysm in 2013, Ron Jeremy is back in action once again, resuming his role as America's most famous porn star.

Janine

Arguably, one of the most beautiful superstars to ever join the adult industry and, as of late, one of the most controversial performers, Janine isn't a gentle breeze, but is instead a passionate hurricane. A powerful performer, Janine's rabid sexual appetite for both men and women makes her turbulent, tempestuous, and tempting all at the same time. Becoming a Vivid contract girl in 1992, Janine took the adult industry by storm. Igniting in award-winning classics such as *Blondage*, and the hugely popular series, *Where the Boys Aren't*, Janine went on to win cinematic gold as her career continued skyrocketing, earning a legion of awards along the way.

Upon her return to the adult industry in 2006 after a brief retirement, a scathing divorce from West Coast Choppers founder Jesse James, and a bitter custody battle, Janine was back and better than ever. Taking home an award for Best Actress for her swashbuckling sexcapades in Digital Playground's *Pirates*, Janine proved that although she was down, we should never count her out.

Christy Canyon

Curvy in all the right places, the world went wild when Canyon joined the adult arena in 1984. With a natural body that women envied and men wanted, her homegrown 34DD-24-36 measurements epitomized the look and feel of the perfect female form. Easily one of the strongest female performers of her generation, she officially hung up her panties and retired from performing in adult films in 1997. But Canyon continues carving out an adult career for herself through other media outlets, including radio programs. A true beauty by any unit of measure, the music group *Orchestral Maneuvers in the Dark* really hit the nail on the head when they sang in her honor, "Heaven is Christy Canyon falling in love with me." We couldn't agree more!

Evan Stone

Crowned AVN's Male Performer of the Year multiple times, Evan Stone is a man beyond measure. Virtually impossible to stay in a bad mood in his presence, Stone has a way of lighting up a room with his infectious smile, genuine laugh and overall professionalism regarding his place in the Adult Industry. A favorite amongst his female co-stars, legends such as Jesse Jane and Eva Angelina site Stone as being one of

their favorite guys to work with. Stone has played virtually every character imaginable, such as a pirate, The Riddler, Captain Kirk, Moving full speed ahead, the Industry hasn't seen the last of this Hall of Famer. Getting better with age, the industry as a whole is made stronger by having the stellar personality of Evan Stone representing us well.

Ginger Lynn

Ginger is a perfect sexual creature and one of the most beloved porn starlets ever to grace the biz. Inarguably the "it" girl of the 80's, Ginger's name alone holds enough merit to make your cock hard or your panties wet. Lynn has left many fans on their knees, singing her praises. Howard Stern is one of those fans, citing in his book *Private Parts*, "She had one of the most incredible bodies I had ever seen! It was a real turn-on!" As close to porn royalty as one could hope to achieve, Lynn is a bona fide legend, radiating with beautiful light that shines through her piercing blue eyes that even captured Charlie Sheen long before he had his "goddesses." Not only is she a sensational sex performer, but is also a skillful mainstream actress, to boot. With a long list of mainstream accolades that include a role in *American Pie: Band Camp*, *The Devil's Rejects*, and *Young Guns II*, Ginger demonstrates that when she goes to work, she gets the job done right!

Bonnie Rotten

Representing the new breed of adult supernovas, Bonnie Rotten's alternative look transcends all visual boundaries. With a strapping fascination for fetish, this Cincinnati native and former spokesmodel moved into the grittier side of skin shows by performing in strip clubs all over the nation. After being introduced to the mysterious world of fetish sex at Ken Marcus' birthday bash, this horny devil burst out onto the scene in 2012 with her pioneer project for New Sensations called *Meet Bonnie*. She's since gone on to be named AVN's 2014

Female Performer of the Year, and in 2014, she also released her inaugural project, *To the Core*, for her own production company called Mental Beauty. With a compulsive, voracious appetite for sex, porn's reigning tattooed goddess is ready to devour all who think they can tame her.

Asa Akira

Not since Kobe Tai in the late 90's has an Asian porn actress made such a colossal impact as Asa has. With the face and body of a goddess, Asa is perfect in every way. Dominating her lovers with insurmountable amounts of passion and lust, it's virtually impossible to peel your eyes away from Akira the moment she appears on screen. With a charming personality and witty sense of humor, Akira's intellect is just as desirable as her flawless physique. Known for losing herself in her scenes, her movie *Asa Akira is Insatiable* for Elegant Angel earned seven awards from AVN in 2012, including Best

Anal Scene and Best Tease Performance. Akira did even better the following year when she not only co-hosted the 2013 AVN Award show, but also was crowned Female Performer of the Year. Continuing her upward trajectory, Akira signed an exclusive performing contract with Wicked Pictures in 2014, starring in hits such as *Underworld*, *Asa Gets Wicked* and *On the Air*.

Lexington Steele

Performer/director extraordinaire Lexington Steele first made his mark in the financial markets before following his passion for sex to the porn biz. Dabbling in group orgies and various swing parties around the nation, Steele began his porn experience in 1997 in New York City before turning adult entertaining into a full-fledged career in 1998 when he permanently relocated to Los Angeles. Winning the award for Male Performer of the year in 2000, 2002 and 2003, only one other performer (Manuel Ferrara) has reached and surpassed such pornographic heights. Now directing and performing almost exclusively for Evil Angel, Steele has graced the adult industry with such fruitful series as *Lex Poles Little Holes*, *Lex is a Motherfucker*, and *Lex Turns Evil*. Her truly is the man of Steele.

Jesse Jane

Jesse Jane is a perfect sexual creature. Revered as one of the most beloved starlets since her arrival in 2003, Jesse Jane remains on the top of charts, winning multiple performance awards from the inception of her career. She is, by every unit of measure, as close to porn perfection as one could hope to achieve, inside and out. Exclusively being affiliated with Digital Playground her entire career, Jesse has starred in such great hits as *Bridesmaids*, *Jesse Jane Playful*, *Code of Honor* and *Pirates*. With staying power and a fan base that spans the globe; few stars are able to hold a candle to Jesse's erotic torch. She will undoubtedly go down in history as a pornographic legend, her continued level of commitment to delivering her fans with hardcore excellence will help her do just that.

James Deen

A modern day John Holmes, Deen's boy-next-door appearance seems as unassuming as they come, but don't let the innocent swagger and nonchalant bravado of this cool cat fool you. An exceptionally passionate performer, with the astute ability of taking his canoodling co-stars from zero to 60 with the flick of his tongue, Deen is a virtuoso when it comes to the art of fucking. Earning the industry's highest honor, AVN's Male Performer of the Year in 2009 and in 2013, as well as other top honors, Deen also starred in a mainstream movie in 2013 called *The Canyons*, co-starring Lindsay Lohan, which helped make him a household name. With a bright future ahead of him, James Deen is clearly just getting started.

Rocco Siffredi

There's hardcore sex, there's super hardcore sex, and then there's Rocco! World

renowned for his aggressively passionate style of fucking, there has never been another adult performer that has matched or surpassed his sexual stride and onscreen persona. In a word, Rocco Siffredi, dubbed "The Italian Stallion" is sex! An industry right of passage into the next level, Siffredi is clearly a person every starlet dreams of working with, because having sex with him helps catapult her career. Also an acclaimed director for Evil Angel and the recipient of over 40 AVN awards during the span of his illustrious career, Rocco wows his co-stars with sexual performances that are just as psychological as they are physical. Asa Akira had this to say regarding her entanglement with Rocco, "Believe me, I've had rough sex in my life but Rocco's style of rough sex is even harder than anyone else alive. I had the time of my life. Rocco was everything I had imagined and more!"

Manuel Ferrara

In the adult arena there isn't a performer more celebrated or awarded than French-born stud, Manuel Ferrara. Earning porno gold, Ferrara has achieved the impossible by being named AVN's Male Performer of Year for his erotic excellence four times. After years of honing his craft, Ferrara later joined the evil empire in 2006. Finding a permanent home with Evil Angel, a move that would become prolific as he hit his pornographic stride, Ferrara proved that his force and impact are virtually unstoppable. Creating heavily movies that he both directs and stars in, Ferrara has delivered the world with such revered titles as *Slutty & Sluttier*, *Raw*

and *Evil Anal*, to name a few. Alongside his handpicked roost of hardcore hotties, there isn't a female performer around that hasn't worked with or fantasized about working with Manuel.

Alexis Texas

This voluptuous beauty has created such a remarkable impact on adult since joining its ranks back in 2006. She, along with an ass that needs no introduction, has almost single-handedly broken down the physical barriers and stereotypical views of what a porn star ought to look like. Together they have opened up the world to a whole new breed of hometown hotties whose sheer popularity is based upon their natural born curves and their uncanny sex appeal. Proving that everything is bigger and brighter deep in the heart of Texas, there's nothing in the world quite comparable to watching Alexis' double bubble in full swing.

Lisa Ann

Lisa Ann is an impeccable seasoned player whose star continues to outshine most. She is the reigning queen of one of porn's most salacious genres, MILF/Cougar, and her body is a virtual wonderland of feminine delights that make her a favorite star amongst most porn star aficionados. From her cascading dark hair, bazooka boobs, to her impressive double-bubble, Lisa Ann is where it's at. Her hardcore style and movies that showcase her on the cover continually fly off the shelves at record rates, including such blockbuster pro-

ductions such as *Who's Nailin' Palin*, *Lisa Ann Loves Girls* and *Lisa Ann Can't Say No*. Those prestigious accolades, along with her smoldering smile and killer pussy, are enough proof to say that like fine wine, this juicy grape is only getting better with age!

Nina Hartley

Undisputedly one of the most recognizable, sex-positive advocates of the adult industry, Nina is a woman beyond measure. Using her respected position, Hartley continues openly educating couples, swingers, and singles through her strong performances, online diary/message boards and her fleet of instructional videos for Adam and Eve. Hartley began her career as an erotic dancer before appearing in her first adult movie entitled, *Educating Nina*. Now, having appeared in over 600 adult movies spanning over three decades, plus mainstream roles such as in the movie *Boogie Nights*, Hartley shows no signs of slowing. Still quite active, participating in more mature, MILF/cougar style productions as of late, Nina is still going strong. Encapsulating her thoughts in a lovely quote, Hartley eloquently states, "Sex isn't something men do to you. It isn't something men get out of you. Sex is something you dive into with gusto and like it every bit as much as he does." 🍷

KEY	POWER OUTAGE	completely limp and flaccid	⚡	a little tingle, that's about it	⚡⚡	semi-erect
	⚡⚡⚡	not bad, boner-inspiring	⚡⚡⚡⚡	above average, hard and throbbing	⚡⚡⚡⚡⚡	classic! ready to spew!

RACK CITY TITTY ⚡⚡⚡⚡

(Ainerose Entertainment) STARRING: Summer Brielle, Alison Tyler, Siri, Missy Martinez. DIRECTOR: Barrett Blade

Aimed on paying homage to babes with big bouncing boobies, director Barrett Blade is set on activating the Richter Scale for what becomes a firestorm of big tits, hard nipples and plenty of hardcore fucking. Undoubtedly, all of this titty titillation will leave you tickled!

Alison Tyler begins by oiling up her tits and wrapping them around a stripper pole before shaking her set for Marco Banderas. After orally igniting her with

fingers and tongue, Marco gets her 36D rockin' when blasting her pussy in doggie position.

Next, whilst pumping iron, Missy Martinez works up plenty of titty sweat. Slipping his cock between her wet watermelons, Will Powers makes excellent use of her great divide, later pumping her pussy full of protein as her love liquid coats their crotches.

Afterwards, we find Summer Brielle

poolside, oiling up her tits. After Summer gives us a fabulous skin show, Mr. Pete comes in for a big titty squeeze. Once finished, he makes her squirt in a myriad of bra busting positions that leave her pussy moist.

Sire seals the deal by shaking her 32Hs for Eric Masterson. Later still, she gags on his gavel and puts her Rack City Titties on full display when barreling down on his cock in reverse cowgirl position.

ANAL YOUNG 'UNS ⚡⚡⚡⚡

(LeWood/Evil Angel) STARRING: Carter Cruise, Misha Cross, Marley Blaze, Dakota Skye.

DIRECTOR: Mark Wood & Francesca Le

Delivering exactly what you would expect, director/performer Mark Wood and Francesca Le lay it all out on the line when giving anal princesses the LeWood treatment. With sexually aggressive scenes and loads of stretched out sphincters, expect plenty of fucking assholes!

Mark Wood begins by snapping photos of Carter Cruise. Eventually succumbing to his adoration, Carter flashes him her tits before treating him to a neck-deep blowjob. Soon, he's barreling down on her butthole, rendering her butt juicy and her eyes crossed.

Next, we find Misha Cross enjoying a cocktail before gagging herself on Mark's cock. In time, he stretches out her anus with

fingers before stuffing it full of his other white meat. Rising up to the challenge, Misha encourages a deeper connection, offering us one gorgeous gape after another. Hot!

Mark continues with his female domination when being seduced by Marley Blaze. After getting one look at her ass, it doesn't take long before Mark is eating her out from behind. Coming together in plenty of anal splitting positions, things really seem to heat up when she buckles down in cowgirl.

Finally, after wanting to save her pussy for marriage, Dakota Skye allows Mark to tinker with her tushy instead. With an enormous size differential, it's awesome watching Mark towering over Dakota, filling her beautiful butt with all the beef she can eat..

RIM JOBS ⚡⚡⚡⚡

(Jules Jordan Video) STARRING: Adriana Chechik, Sheena Shaw, Dana DeArmond, Lea Lexis, Dahlia Sky, Zoey Monroe, Gabriella Paltrova, Veruca James. DIRECTOR: William H

True to its title, Rim Jobs is all about orally exciting assholes, whether belonging to men or women. Bringing this oral fixation to life is director William H, further demonstrating why he's one of porn's most celebrated auteurs when crafting four of the most impressive three-ways ever imagined!

The show opens with Sheena Shaw and Adriana Chechik licking assholes before tag teaming Chris Strokes. After mouthing his cock between them, the girls allow Chris to pop their o-rings at will. What a start!

Next, we find Lea Lexis plugging Dana DeArmond's asshole full of fingers. Once finished, James Deen comes onto the

scene, switching out her digits with a meatier muscle. In time, James fucks both elastic anuses, getting treating to his own *Rim Job* in the process.

Zoey Monroe continues the next encounter by orally excavating Dahlia Sky's sphincter. With white-hot energy, Ramon Nomar joins the girls, double stuffing each petite pucker with his Spanish sausage before mucking his mayo over each.

Gabriella Paltrova and Veruca James end the show on the highest note, treating each other to plenty of fingers and tongues. Afterwards, Manuel Ferrara dominates both diva's derrieres before having his own salad tossed.

INSIDE A PORN STAR ⚡⚡⚡⚡

(Zero Tolerance) STARRING: Jessa Rhodes, Aaliyah Love, Tiffany Tyler, Madelyn Monroe. DIRECTOR: Pat Myne

Geared at giving fans a more candid look at some of their favorite porn stars, director Pat Myne has handpicked four sexy starlets, asking them candid questions about their personal and sexual lives before unleashing them onto well-hung studs. Capturing what Porn Stars do best, Myne has filled his production with solid interview sessions, steaming masturbation solos and plenty of mind blowing sexual encounters.

Easily the cream of this crop, Jessa Rhodes masturbates her hot hole with a Hitachi wand after a candid interview session. Once wet 'n wild, she mixes middles with Tyler Nixon, treating him to plenty of pussy in reverse cowgirl position.

After treating us to an awesome camel toe display, Aaliyah

Love packs her pretty kitty with a silver toy before turning her sights onto Will Powers. Once connected, she treats him to a slobbery blowjob before she's buckled in half to take his protein pack in doggie position.

Later still, Tiffany Tyler treats us to a sultry shower session before making her pussy pop. Afterwards, she rips Tyler Nixon's clothes off and contorts herself into the 69 position. Once finished, she picks up the pace in cowgirl before draining his balls dry.

Madelyn Monroe ends the show with Will Powers. With explosive energy and plenty of pussy pounding positions, Madelyn and Will fire on all cylinders.

Irina & Leyla

Eat My Cunt, Please

Lesbo jokesters Irina and Leyla have been pranking each for weeks. First, Irina stole Ley's favorite vibe, only to find it stuffed up her asshole after a very late night. Then, Leyla returned the favor by eating Irina's cunny one night then spitting into her asshole. Haha! Take that! All matters were settled, of course, with a mutual cunt eating buffet that includes fingering, rim jobs, and anal tongue fucking! You girls crack us up! Get it? 🍆

Julia

Ho-ray For Hollywood

30290

Being a wardrobe and production assistant sure is fun, especially if you're as hot as the lovely Julia. See, all the big name stars love to see Julia at work. She's as beautiful as some of the leading ladies, but Julia assures them that they won't suck them off and fuck them as good as she will. One look at those awesome tits and that incredible slit and sweet Julia would most certainly win every award out there in Tinseltown! Good luck! 🍷

LIFE SIZE - LIFE LIKE - BEAUTIFULLY FUCKABLE

PLAY-GIRL

SO ROUND SO FIRM SO FLEXIBLE

The **ONLY** doll in the world with electronic-type action mouth, molded breasts, and **ALL** female parts.

FIRST TIME IN AMERICA

That's right!!! Marilyn is the **ONLY** human-like **ACTION DOLL** available in America. Her success in Europe has been so overwhelming, that we've brought Marilyn to America. Let her American, Greek and French life-like reproduction female qualities astound you as they have others.

BUILT IN FEATURES

All of Marilyn's female components are built right into her body. Her breasts are human-like in **EVERY** detail, both in texture and structure, right down to the finest point. This is an exclusive feature that is **ONLY** available on the Marilyn doll. Her open mouth is an achievement in design. The human-like action, tight-flexible cheeks inside her mouth, work on the principle of air suction. Just squeeze the back of her head gently, and watch her pulsating mouth come to life. Her mouth is precise enough to grasp a pencil. Marilyn comes with all the female parts you expect. Even **THESE** parts were designed to act as human-like as possible. Her well rounded hips and legs are soft and flexible. You can make Marilyn thin, you can make her shapely, you can make her pleasingly plump, in fact Tiger, you can make her **ANY** way you desire.

THE ONLY ACTION DOLL

Don't confuse Marilyn with toy like dolls being sold on the market. Marilyn is **NOT** a toy. She was designed for the **ACTION MINDED** man. Imagine coming home to your own 21st Century play-girl always ready for action.

DRESS HER UP

Dress her up in lingerie, bathing suit, dainty underclothes, tight fitting sheek dresses, pant outfits, mini skirts or leather. Her well rounded legs can wear any style boots or shoes, nylons or hose. Think of the fun you'll have dressing Marilyn the way **YOU** feel a woman should

dress. And best of all Marilyn knows how to show her appreciation. Order now, while she is still available at this extremely low price, or before she becomes a collectors item.

The only electronic doll with action mouth & pulsating pussy.

Jessica &

Daisy

Of Poles And Holes

Best friends Jessica and Daisy had been dying to have a threesome and when they finally met the right guy for the job, all of their suspicions were confirmed. They had both been desperate to eat each other's cunnies and having that dick spearing their respective slits was the perfect excuse to lap away at labia! Of course, getting fucked, cumming, and getting a big load on their faces and tits wasn't so bad, so maybe they weren't straight-up lezzies, but it sure was fun! 🍆
